**PUBLIC NOTICE**

Re: Revised Criminal Justice Act Panel Attorney Rates and Maximums

1. This notice provides information about inflationary adjustments to the hourly rates and case compensation maximums under the Criminal Justice Act (CJA), [18 U.S.C. § 3006A](#). These adjustments are the result of [Executive Order 14113](#), dated December 21, 2023.<sup>1</sup>
2. CJA Panel Attorney Hourly Rate Increases

Panel attorney hourly compensation rates are increased from \$164 to \$172 for non-capital representations and from \$210 to \$220 for capital representations for services performed on or after January 1, 2024. Where appointment of counsel occurred before January 1, 2024, the new hourly compensation rates apply to that portion of services provided on or after the effective date.

3. CJA Panel Attorney Case Compensation Maximums (Non-Capital Cases)

Because of the increase in the non-capital hourly rate, the waivable case compensation maximum amounts for non-capital representations<sup>2</sup> increase to:

- Felonies, proceedings under 18 U.S.C. § 983 and 28 U.S.C. § 1875, and post-conviction proceedings under 28 U.S.C. §§ 2241, 2254 or 2255:
  - o \$13,400 (previously \$12,800);
- Appeals:
  - o \$9,600 (previously \$9,100);
- Misdemeanors and proceedings under 18 U.S.C. §§ 4107 or 4108:
  - o \$3,800 (previously \$3,600); and
- Proceedings under 18 U.S.C. § 4106A and other representation authorized by the CJA:
  - o \$2,900 (previously \$2,700).

The new case compensation maximums apply to a voucher submitted by appointed counsel if that person furnished any CJA-compensable work on or after January 1, 2024. The former case compensation maximums apply to a voucher submitted by appointed counsel if that person's CJA-compensable work was completed before January 1, 2024.
